Professional Experience

First Interstate Bank / Web Applications Developer

February 2022 – Current: Billings MT | Remote

Redesigned and developed the First Interstate's website, greatly improving our ADA compliance and SEO.

Incorporated a build tool (GULP) to help minify our files and greatly improve our site's speed.

Deprecated our old Bower components and updated them to NPM.

Developed numerous web applications to help with bank processes and lenders.

Created documentation site for developer reference.

Lindsey Jones / Web Designer and Developer

September 2021 - February 2022, Idaho Falls

Designed and developed RTEVO. (Nonprofit informative course website with printable certificates)

Developed a Timeclock web application for employees to track time.

Education

Brigham young University / Bachelor of Science with an emphasis in Web Design and Development

September 2017 - December 2021
