Professional Experience

First Interstate Bank / Web Applications Developer

February 2022 – Current: Billings MT | Remote

Redesigned and developed the First Interstate's website, greatly improving our ADA compliance and SEO.

Incorporated a build tool (GULP) to help minify our files and greatly improve our site's speed.

Deprecated our old Bower components and updated them to NPM.

Developed a home loans application to aid our lenders in communicating with our customers.

Developed an escrow application to help direct customers to the proper resources.

Lindsey Jones / Web Designer and Developer

September 2021 - February 2022, Idaho Falls

Designed and developed RTEVO. (Nonprofit informative course website with printable certificates)

Developed a Timeclock web application for employees to track time.

Education

Brigham young University / Bachelor of Science with an emphasis in Web Design and Development
September 2017 - December 2021
